

Community & Content Policy

Effective: August 31, 2014

Breecz is a U.S. company and subject to U.S. laws and jurisdiction. This Community & Content Policy (and any other terms, policies, or guidelines we provide to you) are only available in English.

At Breecz ("**Breecz**", "**we**", "**us**", or "**our**") we believe in and respect freedom of expression. You ("**you**", "**your**", "**user(s)**", "**blogger(s)**", "**visitor(s)**", "**viewer(s)**", "**blog publisher(s)**", "**blog owner(s)**", or "**they**") can share experiences, feelings, thoughts, ideas, and just about anything on Breecz. What you share on Breecz can have different emotional effects on our viewers. We endeavor to improve the positive and reduce any negative emotions. As such we have some guidelines that all of our users need to follow while they use the Breecz service.

What You Should Not Do

Sexual content and porn: While we do allow adult content on Breecz including nudity and sexual activity, we are not in the business of sharing porn or adult-oriented content. If you share adult content in your blog including nudity and sexually explicit content, flag your blog for adult content ([learn how](#)).

Do not use Breecz service to make money on adult content (e.g., share content that contains ads or links to commercial porn sites).

Do not share content containing, depicting, or encouraging gore, rape, incest, bestiality, mutilation, or necrophilia.

Harm to minors: Do not share any content relating to minors that is sexually suggestive or violent. Don't bully minors or solicit anything sexually suggestive or violent from minors.

Hate Speech: Do not involve or encourage hatred or violence on the basis of things such as race, ethnicity, age, sexual orientation, religion, or gender. We believe in freedom of speech so we encourage you to remove negativity and hate from your argument rather than censorship. However we reserve the right to remove anything that we believe to be hateful or malicious.

Violence: Do not share, promote or encourage violence in any form in your Breecz blog(s), including but not limited to death threats, and bodily harm. Do not encourage your viewers of violence in any form towards an individual, or group.

Do not share, promote, or encourage self-harm (e.g. suicide, inflicting cuts and injury, embracing anorexia etc.).

Harassment: Do not harass or bully others. We may take down content depicting, promoting, or encouraging harassment in any form, even suggestive ones, at our sole discretion. Sending repeated, unwanted, or inappropriate messages to other users can also constitute harassment.

Privacy Information: Breecz is not a public directory. Do not share personal, medial, or confidential information about others like name, address, telephone numbers, emails, medical conditions, credit card numbers, social security and tax ID numbers on Breecz.

Don't use Breecz to collect personal information about others in deceptive ways.

Deceptive Impersonation: Do not deceptively impersonate or represent an individual or organization. Parodies and satires are fine, but avoid content that can mislead viewers about your true identity.

your content. Don't use deceptive ways to increase traffic to your website or generate revenue from your Breecz blog(s).
